

# CYPRUS BRIDGE FESTIVAL

The festival will follow the small federations games from the 30<sup>th</sup> of October 2015 to the 3<sup>rd</sup> of November 2015. Its a pairs event in the first 3 afternoons and a teams event in the other 2 afternoons.

Why don't you combine both bridge events and of course an unforgettable holiday in Cyprus, the island of Aphrodite the goddess of love, and where we have 300+ days of sunshine every year.

*We will be more than happy to see all of you,  
and show you a little of our island and its history.*

**Protaras Cyprus** has clear sky-blue waters and sandy beaches, the most well-known of which is **Fig Tree Bay**. Building on the success of **Ayia Napa**, located about 10 km (6 mi) southwest, it has expanded into a modern holiday resort of considerable size with tens of high capacity hotels, hotel apartments, villas, restaurants, pubs and associated facilities. Being quieter than Ayia Napa and having less of a club scene, it has a reputation of catering more for family tourism. **Cape Greco** is a 10 minute drive from the centre of Protaras, and is considered one of the most beautiful places on the island.

The **5\* Capo Bay Hotel** in Protaras, Cyprus is exceptionally located in the heart of Protaras. Modern features and amenities blend in with traditional excellence in service and holiday accommodation. This beach hotel in Protaras emphasises an aura of tranquillity – beautiful gardens with running waters and fish ponds lead down to the waterfront and the award winning blue flag Fig Tree Bay.

Capo Bay Hotel has earned an enviable reputation with travellers to Cyprus for its style and attention to detail within the guest accommodation and for its quality of service. Whichever type of room you choose to stay in, you will appreciate the overall tone of elegance, combined with all the modern comfort you would expect from a luxury beach hotel in Protaras.
