

World Bridge Games Wrocław 3-17 September 2016

by Radek Kielbasiński

World Bridge Games

Wrocław

- **The fourth-largest city in Poland and the largest in the west of the country**
- **With a community numbering over 630,000 inhabitants**
- **It lies across the Oder river and four tributaries, and as many as 12 islands are to be found within its boundaries – it is criss-crossed by over 100 bridges.**
- **The city is the administrative, economic and cultural capital of Lower Silesia.**

World Bridge Games

Wrocław

- **is central situated in Europe**
- **is connected to most countries in Europe**
- **become European Capital of Culture in 2016**

World Bridge Games

Centennial Hall – The Venue

- is a unique venue on the map of Poland, where history harmoniously interacts with modernity
- was designed by Max Berg, an outstanding city architect, and recognized as one of the top masterpieces of the 20th century architecture
- its inscription on UNESCO World Heritage List in 2006 emphasized the rank of this facility
- multi-purpose space, unusual structure, unique and spacious location represent just a few of its strengths
- is one of the most desired venues among domestic and foreign organizers of major exhibitions, conferences, cultural, sport and congress events

World Bridge Games

The Olympiad (first week – Round-Robin then KO phase)

- **four categories**
 - **open**
 - **women**
 - **seniors**
 - **mixed**

The Pairs Championship (the second week)
