

## Frozen suits

Some suits you would prefer that opponents play instead of you.

For example: AJx opposite KTx.

Write down as many as you can think of in three minutes.

Now let's see if you found one that I missed.

ATx            Qxx

ATx            Jxx

QTx            K9x

ATx            K9x

Qxx            Jxx

Kxx            Jxx

Good to know and recognize them. See them as old friends.

How do I convince opponents to play the suit. Asking nicely or bribe them may not work.

Sometimes you can force them. Say the the actual combination is a sidesuit in a trump contract and you can draw trumps....

You hold

AKxxx	QTxxx	AKxxx	QTxxx	AKxxx	QTxxx
Axx	xxx	ATx	xxx	Axx	Kxx
Ax	Kx	Ax	Kx	Ax	Kx
Qxx	ATx	AJx	Txx	Jxx	Qxx

One that I particularly like:

82	K943
A5432	KQT76
AT2	Q54
A32	5

82	K943
AK432	QJ765
AT2	Q54
A32	5

Would you prefer to be in dummy? OK I give you entries
