1. INTRODUCTION

BridgeTek tables + WonderCover, **the perfect match.**

1. INTRODUCTION

EUROPEAN BRIDGE LEAGUE

WONDER COVER®

WonderCover is a solution for group gaming on digital devices.

The WonderCover® accessory allows you to hide the game between players, enabling the development of digital versions of popular group games while retaining their essence of REAL social game, with a digital device as the centre of the action.

Hide your game from
other players with WonderCover®

CUSTOMIZABLE GAMING SHIELDS

2. THE GAMING SHIELD

EUROPEAN BRIDGE LEAGUE

GAMING SHIELD

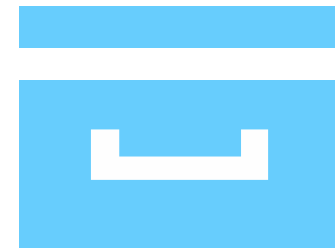

By placing the gaming shield on the digital table, it automatically recognizes the player's ID, displaying - only on the private area of the screen - the contents that the player/team predefines through our official website.
