

GALAXIA BRIDGE

**LLORENÇ SUÑOL
BARCELONA-OPATIJA
2.018**

Introduction

- 12 years teaching bridge**
- kids from 7 to 11 years old**
- 4 courses of 25 kids each**
- 6 hours a week for 100 students**

**My First
year**

-On my first year I teach like they did for the last 10 years.

-And then I realised:

**How many students play
bridge after 4 courses
during this 12 years??**

ZERO

UNSUCCESSFUL PROJECT

Problems

- Too many kids on the class**
- One hour per week**
- Boring system for them**
- No competition with kids from other schools**
- No teaching material (books, exercises, etc)**

Solutions for now

- Spanish school championship

**CAMPIONAT DE
ESPANYA DE BRIDGE
ESCOLAR i JUNIOR**

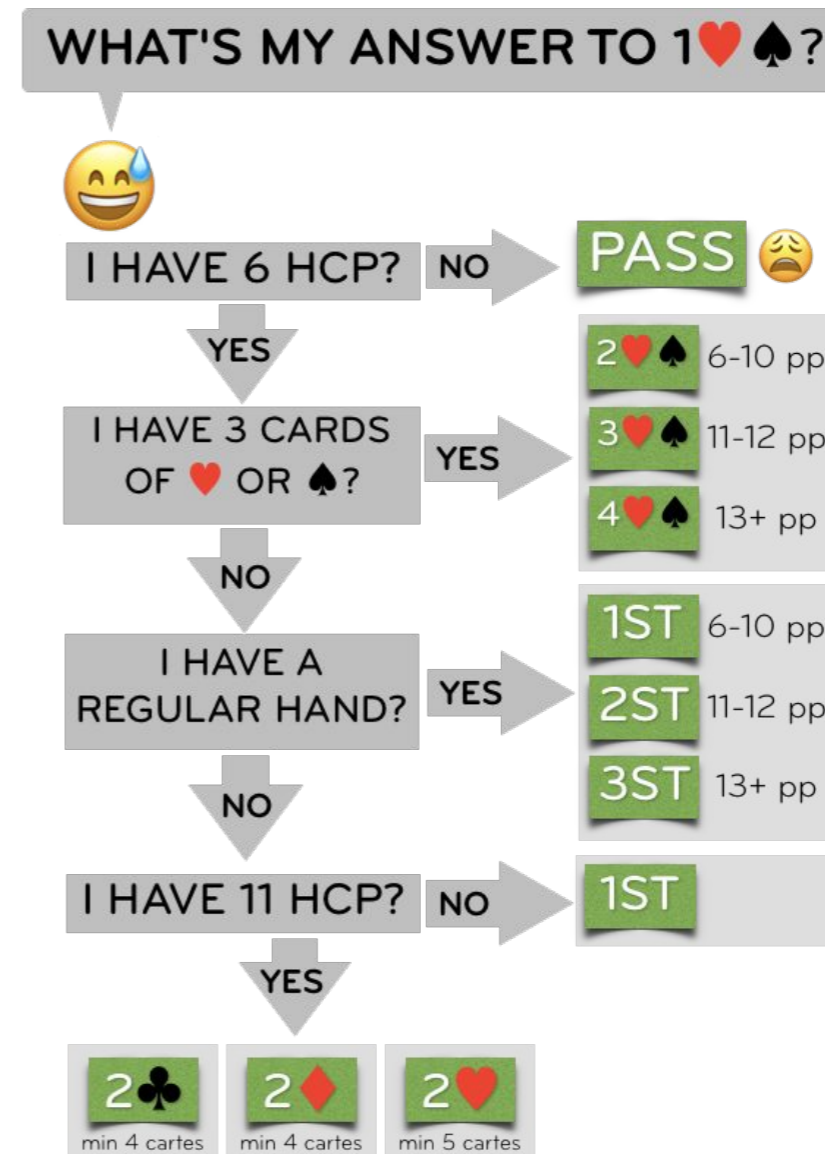

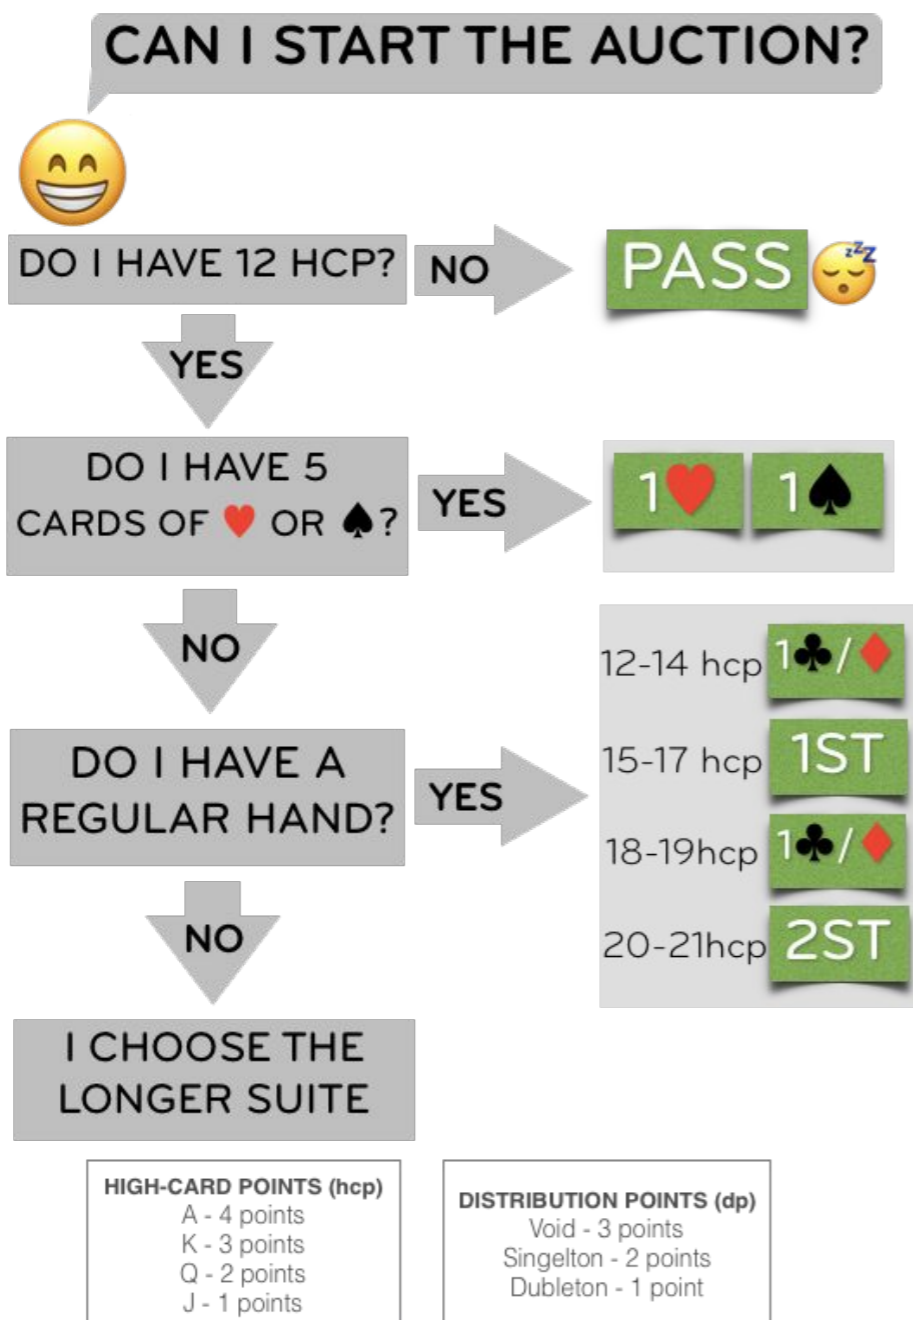

**14/4/18
Barcelona**

Solutions for now

- New system: Decision scheme

Solutions next year

- **The Spanish and Catalan Bridge association helps economically to add 3 more hours per week**
- **New extracurricular class for kids**
- **New extracurricular class for parents**
- **GAMIFICATION OF BRIDGE**
(Points, Badges and Leaderboard)
- **Introduction of technology in the classroom**
 - **Ipads and tablets, can they be useful?**
 - **Mentimeter, Kahoot, Google classroom, itunesU, classcraft, Morpho, Nearpod, etc**

**Solutions for the
future**

- Establishing a good teaching system**
 - Teaching teachers**
 - Finding more schools**
- Regular tournaments with other schools**
